

Junction Christian Academy

"Providing an academic education of excellence in a Christ centered environment."

9924 Catchings Drive Hobbs, NM 88240 575-631-2435

Registration Procedures

- Complete entire admissions packet and return to JCA office.
- All new applicants must take an entrance exam. This is approximately 30-45 minutes and tests the student's math and reading skills.
- Bring recent report cards, standardized test scores, and test results on learning differences (if applicable) to the JCA office.
- An interview will be scheduled. Application does not automatically mean acceptance. All students and parents must be interviewed prior to acceptance. This process gives the school the opportunity to get acquainted with you and your child and make sure it is a good fit for both parties.
- A non-refundable non-transferable registration fee of \$150 is required to hold the student's spot.
- A copy of the student's immunization record must be submitted, along with a visual verification of the student's birth certificate and social security card.
